

1) Batting Cage Reservation Calendar is posted on the Tremont Area Park District Website www.tremontpark.org. Click on the Baseball/Softball tab on the Home Page to get this calendar. At this site you will be able to review the reservation calendar for available dates & times.

2) Travel Teams may reserve one slot during the week and then one slot during the weekend. Reservations must be made to Carla Leber **via e-mail only** at tremontparkoffice@verizon.net Reservations must be made by 7 pm on the Wednesday before the week that you want to reserve your times during that next week. Example: If you want to schedule for the week of March 9th, then you need to submit your reservation by Wednesday, March 4 at 7 pm After this deadline, all leftover time period will be first come, first serve.

3) We understand that you and your parents like to know in advance as much as possible of practice times, so you may schedule out over multiple weeks provided that you do not exceed the one time during the week and once during the weekend limits.

4) Batting Reservations will be limited to 2 hours and you will have the choice of two time sessions during the week - 5:00 pm to 7:00 pm and 7:00 pm to 9:00 pm. We would also ask the coaches of the older teams to be consider the later time slot when scheduling and allow the younger teams the opportunity to schedule the earlier times when possible.

5) On Weekend Reservations, we ask that you limit it to 2 hours as well. Goal is to have at least 10 slots available to use between Saturday & Sunday which would give a total of eighteen to be used by the Six Travel Teams during the week. This should be plenty as long as we get complete cooperation from everyone.

Final note, while we will strictly enforce "the one during the week and one on the weekend guideline" for initial batting cage scheduling and we will schedule using the time frames for weekday scheduling mentioned above. We will be flexible enough to allow coaches to work out alternate time frames if it can be worked out by all parties involved in that particular evening, and in addition if a coach only wants to go for an hour and a half during the earlier session then please let Carla know so that we can allow someone to start earlier if they wish.
